

## Jesus Is...

Warm comforter to the hurting  
Strong advocate of the accused  
Deliverer of the captive  
Wise Counsellor of the confused

Almighty to the helpless heart  
Most Present when one's all alone  
The Father to the orphan'd child  
Best Healer of the broken bones.

Provider to the bankrupt life  
He speaks a peace amid the storm  
True Hero of the victimized  
Loving embrace in place of scorn

Fresh hope to those without purpose  
With Joy, He mends the broken heart

His Resurrection makes new start
